

Statement of Deficiencies

1717-A: Independent Contractors Records

Not Met

1717-A: Independent Contractors. The following information shall be maintained for all independent contractors, including but not limited to therapeutic professionals, extracurricular personnel, contracted transportation drivers, Department of Education, Office of Early Childhood staff and local school district staff:

1. an information form that includes the person's name, address and phone number
2. a list of duties performed while present at the center; and
3. documentation of a CCCBC-based determination of eligibility for child care purposes from the department or documentation of the adult staff member not otherwise counted in child to staff ratios that accompanied the contractor at all times while the contractor was at the center when children were present, to include the date, contractor arrival and departure time, language stating that the contractor was accompanied by the staff member at all times while at the center when children were present, and the signature of both the contractor and the accompanying staff member.

Finding:

1717-A Based on record review: O1, O2 and O3 did not have documentation on file for Independent Contractors that included person's name, address, phone number, list of duties performed while at the center. O1, O2 and O3 did not have documentation of a CCCBC-based determination of eligibility for child care purposes from the department/CBC for independent contractor.

- O1 was on premises on 05/05/2018 and 06/21/2018.

- O3 was on premises on 08/02/2017, 08/07,2017 and 08/16/2017.

- O2 was on premises on various days in the following months: September 2017, October 2017, November 2017, December 2017, January 2018, February 2018, March 2018, April 2018 and May 2018.

1725-A.-D.: Medication Management Training

Not Met

1725-A.-D.: A. All staff members who administer medication shall have medication administration training.

B. Whether administering medication or not, each early learning center shall have at least two staff members trained in medication administration.

C. Such training shall be completed every two years with an approved Child Care Health Consultant.

D. A licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

Finding:

1725-A.-D. Based on record review:

The provider did not have at least two staff members trained in medication administration whether the early learning center administers medication or not.

1901-C: End-of-Day Check

Not Met

1901-C: The entire center and play yard shall be checked after the last child departs to ensure that no child is left at the center and this check shall be documented. Documentation shall include date, time of visual check, and signature of the staff conducting the visual check.

Finding:

1901-C Based on record review:

The Provider did not document that the entire center and play yard is checked after the last child departs to ensure that no child is left unattended at the center on 06/20/2018.

1921-A: Emergency Preparedness and Evacuation Planning

Not Met

1921-A: Emergency and Evacuation Plan. The director shall consult with appropriate state and local authorities and shall establish and follow a written multi-hazard emergency and evacuation plan to protect children in the event of emergencies that at a minimum shall:

1. address any potential disaster related to the area in which the center is located;
2. include procedures for sheltering in place, lockdown and evacuation to a pre-determined site for potential threats to the safety, health and well-being of children in care;
3. include specific procedures for handling infants through two year olds;
4. include specific procedures for handling children with special needs, including the evacuation and transportation of children in wheelchairs;
5. include a system to account for all children;
6. include a system, and a back-up system, for contacting parents and authorized third party caretakers;
7. include a system to reunite children and parents following an emergency;
8. include procedures for providing information about the emergency plan to parents at the time of enrollment and when changes occur;
9. be reviewed annually for accuracy and updated as changes occur; and
10. be reviewed with all staff at least once per year.
11. practice drills shall be conducted at least twice per year to include all children and shall be documented.

Statement of Deficiencies

Finding:

1921-A Based on interview(s): The provider failed to have a written multi-hazard emergency and evacuation plan to protect children in the event of emergencies that addresses the following any potential disaster related to the area in which the center is located, include procedures for sheltering in place, lockdown and evacuation to a pre-determined site for potential threats to the safety, health and well-being of children in care, include specific procedures for handling infants through two year olds, specific procedures for handling children with special needs, including the evacuation and transportation of children in wheelchairs. The Provider did not have the following system in place for: to account for all children, a system, and a back-up system, for contacting parents and authorized third party release caretakers, a system to reunite children and parents following an emergency.
