

Statement of Deficiencies

5327-L: Clean of Hazards

Not Met

5327.L. The center and yard shall be clean and free from hazards.

Finding:

7327.L. (OLD TAG #5327.L.) The center was not free of hazards.

*On the feeding table in the one year old classroom, 1 of 8 seats has a safety belt. Children could climb out of the seats and fall. Provider stated she will get some new safety belts by Friday.

**In the back infant room, the changing table pad was torn with the foam stuffing exposed. This presents an unclean hazard as the exposed stuffing cannot be properly cleaned after each diaper change. Provider stated she will get a new pad tomorrow (6-23-10)
