

Statement of Deficiencies

5305-H: Children's Daily Attendance

Not Met

5305.H. A daily attendance record for children, completed by the parent or center staff, including the time of arrival and departure of each child and the name of the person to whom the child was released, shall be maintained. This record shall accurately reflect the children on the child care premises at any given time. If the record is completed by center staff, that individual shall write the first and last name of the person to whom the child was released and sign his/her own name. Children who leave and return to the center during the day shall be signed in/out. A computerized sign in/out procedure is acceptable if the record accurately reflects the time of arrival and departure as well as the name of the person to whom the child was released.

Finding:

7305.H (5305.H.) The center's daily attendance record for children did not accurately reflect the children on the child care premises at any given time as 41 children were present and 34 children were signed in on the log.

5321-J: Daily Observation of Children

Not Met

5321.J. Upon arrival at the center, each child shall be observed for possible signs of illness, infections, bruises, injuries, physical condition, etc. When noted, results including an explanation from parent and/or child shall be documented.

Finding:

7321.J (5321.J.) The provider did not document an explanation from parent and/or child on 10 of 20 entries between 5/1/11 and 6/23/11.

5321-K: Incidents and Accidents

Not Met

5321.K. Incidents, injuries and accidents shall be documented. Documentation shall include name of child, date and time of incident, location where incident took place, description of how incident occurred, part of body involved, and actions taken. Documentation of all incidents/injuries/accidents shall include time of parental notification and signature of person notifying the parent. The parent or designated person shall be notified immediately in the following situations:

- blood not contained in an adhesive strip;
- head injury;
- human bite which breaks the skin;
- any animal bite;
- an impaled object;
- broken or dislodged teeth; or
- any injury requiring professional medical attention.

Finding:

7321.K (5321.K.) The Provider did not have documentation of immediate notification to the parent or designated person when the following occurred to a child: Lip injury. Incident occurred at 4:31pm on 4/12/11 and there was no documentation of the time the parent was notified.
