1921.E.: Tornado Drills

Not Met

1921.E.: Tornado drills shall be conducted at least once per month in the months of March, April, May, and June at various times of the day necessary to include all children and shall be documented.

Finding:

1921.E. Based on record review/interviews: According to S1's files, a tornado drill was only documented for May of 2019. S1 failed to have documentation that a tornado drill was completed at least once per month in March of 2019 and April of 2019. Specialist advised S1 to complete a tornado drill in the month of June 2019.
