B. Licensing Division staff shall be allowed to interview any center staff person deemed necessary by the Licensing Division.

C. Licensing Division staff shall be admitted into a center immediately and without delay and shall be given free access to all areas of a center, including its grounds.

D. If any portion of a center is set aside for private use by an owner of the center, Licensing Division staff shall be permitted to verify that no children are present in that portion of the center and that such private areas are inaccessible to children.

Finding:

705.A. Based on record review: Specialist was not allowed to access the children files and records of C2 and C3 as the files were not able to be located on the center premises during the licensing inspection on 06/25/2018, prior to exiting with S10 and S11. S10 and S11 were not able to locate the files. S10 did reach out the center owners and was still not able to locate where the files of C2 and C3 were located on the premises.
