

Statement of Deficiencies

1713.A.&B.&C.: Supervision

Not Met

1713.A.&B.&C.: A: Children shall be supervised at all times in the center, on the playground, on field trips, on non-vehicular excursions, and during all water activities and water play activities.

B: Children shall not be left alone in any room, (except the restroom as indicated in Subsection G of this Section or when being provided services by therapeutic professionals, as defined in §103), outdoors, or in vehicles, even momentarily, without staff present.

C: A staff person shall be assigned to supervise specific children whose names and whereabouts that staff person shall know and with whom the staff person shall be physically present. Staff shall be able to state how many children are in their care at all times.

Finding:

1713.A.&B.&C.: Supervision: Based on observation: Children were not under supervision at all times. On 6/25/2020, Specialist arrived and observed S1 in her office, and S2 in a classroom supervising twelve 2-8-year-old children. Specialist entered an additional classroom at 12:46pm, and observed C1, age 3, asleep on a mat alone in the classroom. Specialist notified S1, and C1 was moved into S2's classroom.

Corrective Action Plan: S1 stated she was distracted with a parent in crisis, but will ensure children are not left alone, in any room, for any amount of time, even while asleep for nap-time.
