

## **Statement of Deficiencies**

### **1901-J.&K.: Items That Can be Harmful to Children**

**Not Met**

1901-J.&K.: Items that can be harmful to children, such as medications, poisons, cleaning supplies and chemicals, and equipment, tools, knives and other potentially dangerous utensils, shall be kept in a locked cabinet or other secure place that ensures they are inaccessible to children. Plastic bags, when not in use, regardless of purpose or use, shall be made inaccessible to children.

#### **Finding:**

1901-J.&K.: Based on observation on 6/27/2017; the center had plastic bags that was accessible to children as evidence by: LS observing in S4's classroom a box of plastic bags for diapers in reaching distance of the children. The plastic bags were located in an open area of the changing table. S4 was observed supervising (7) 1 yr olds to 3 yr olds. LS observed S4 removing the plastic bags therefore the item was out of the reach of children.

### **1901-P: Staff Personal Belongings**

**Not Met**

1901-P: The personal belongings of center staff members shall be inaccessible to children.

#### **Finding:**

1901-P Based on observations 6/27/2017; The personal belongings of center staff member S2 was accessible to children. This deficiency is evident by LS observing S2's purse and another small wallet located in S2's classroom area. S2 was supervising her classroom on the center's playground area and S1 removed S2's personal belongings therefore the items were inaccessible to children.
