

## ***Statement of Deficiencies***

### **1715-A.5: State Central Registry**

**Not Met**

1715-A.5: Personnel files for each staff member shall be maintained at the center and shall include the following: documentation of a current, completed state central registry disclosure form indicating no justified (valid) finding of abuse or neglect by the DCFS, or a current determination from the DCFS indicating that the individual does not pose a risk to children.

#### **Finding:**

1715-A.5 Based on record review: Personnel files for each staff member failed to include documentation of a current, completed State Central Registry Disclosure form indicating no justified (valid) finding of abuse or neglect by DCFS or a current determination from DCFS indicating that the individual does not pose a risk to children.

-S3 was present on today and had a State Central Registry Disclosure form on file that expired 5/2/2017. This was corrected during the Licensing visit.
