

Statement of Deficiencies

1501-A: Operations

Not Met

1501-A: A center shall operate within the licensed capacity, age range, hours of operation and other specific services designated on its license.

Finding:

Based on record review and observation: The provider failed to operate within the center's current licensed capacity. Center's current licensed capacity is 118. There were 131 children present at the center during licensing visit.

1507-A: Daily Attendance Records - Children

Not Met

1507-A: A daily attendance record for children shall be maintained that shall:

1. include the child's first and last name, arrival and departure times, and first and last name of person or entity to whom the child is released;
2. accurately reflect children on the center premises at any given time; and
3. be used to sign in and out if a child leaves and returns to the center during the day.

Finding:

Based on record review: The daily attendance log for children failed to always include the first and last name of the person to whom the child was released.

1717-A: Independent Contractors Records

Not Met

1717-A: Independent Contractors. The following information shall be maintained for all independent contractors, including but not limited to therapeutic professionals, extracurricular personnel, contracted transportation drivers, Department of Education, Office of Early Childhood staff and local school district staff:

1. an information form that includes the person's name, address and phone number
2. a list of duties performed while present at the center; and
3. documentation of a fingerprint based satisfactory criminal background check dated prior to the individual being present at the center or documentation of the paid, adult staff member not otherwise counted in child to staff ratios that accompanied the contractor at all times while the contractor was on the center premises, to include the date, contractor arrival and departure time, language stating that the contractor was accompanied by the staff member at all times while on the premises, and the signature of both the contractor and the accompanying staff member.

Finding:

Based on record review: Provider did not have documentation of a fingerprint based satisfactory criminal background check dated prior to the individual being present at the center for student worker O1.

1915-A: Health Services - Observation

Not Met

1915-A: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

Finding:

Based on record review: The staff did document observations, when something is observed, noted on children upon arrival to the center. However staff failed to include an explanation from parent and/or child were not documented.
