

Statement of Deficiencies

1503-D: Waiver of Liability

Not Met

1503-D: Parents shall not be required to waive the center's responsibility.

Finding:

1503-D Based on record review: Parents are required to waive the provider's responsibility in the event of an accident or injury. Parents are informed on the bottom of the child's medical information form where parents sign for permission for emergency treatment " *Financial responsibility for emergency treatment is a parental one.* "

1907-A.1-2: High Chairs

Not Met

1907-A.1-2:

1. The high chair manufacturer's restraint device shall be used when children are sitting in a high chair.
2. Children who are either too small or too large to be restrained using the manufacturer's restraint device shall not be placed in a high chair.

Finding:

1907-A.1-2 Based on observations:

The high chair manufacturer's restraint device was not used when children are sitting in a high chair. Specialists observed 3 one year old children eating lunch in high chairs. The restraint devices were not used for the three children that were sitting in the high chairs.

1921-A: Emergency Preparedness and Evacuation Planning

Not Met

1921-A: Emergency and Evacuation Plan. The director shall consult with appropriate state and local authorities and shall establish and follow a written multi-hazard emergency and evacuation plan to protect children in the event of emergencies that at a minimum shall:

1. address any potential disaster related to the area in which the center is located;
2. include procedures for sheltering in place, lockdown and evacuation to a pre-determined site for potential threats to the safety, health and well-being of children in care;
3. include specific procedures for handling infants through two year olds;
4. include specific procedures for handling children with special needs, including the evacuation and transportation of children in wheelchairs;
5. include a system to account for all children;
6. include a system, and a back-up system, for contacting parents and authorized third party release caretakers;
7. include a system to reunite children and parents following an emergency;
8. include procedures for providing information about the emergency plan to parents at the time of enrollment and when changes occur;
9. be reviewed annually for accuracy and updated as changes occur; and
10. be reviewed with all staff at least once per year.
11. practice drills shall be conducted at least twice per year to include all children and shall be documented.

Finding:

1921-A Based on record review: The provider failed to conduct and document practice drills at least twice per year.

1921-C: Evacuation Pack

Not Met

1921-C: The center shall have an evacuation pack, the location of which is known to all staff, that at a minimum shall contain:

1. a list of area emergency phone numbers;
2. a list of emergency contact information and emergency medical authorization for all enrolled children;
3. an emergency pick up form;
4. first aid supplies, hand sanitizer, wet wipes, and tissue;
5. diapers for children who are not toilet trained and plastic bags for diapers;
6. a battery powered flashlight and radio and batteries;
7. food for children under the age of 4, including infant food and formula; and
8. disposable cups and bottled water.

Finding:

1921-C Based on observations/record review: Based on observations, the provider failed to have a completed evacuation pack. The provider failed to have the following: a list of area emergency phone numbers, a list of emergency contact information and emergency medical authorization for all enrolled children and an emergency pick up form.
