

Statement of Deficiencies

1725-A.-D.: Medication Management Training

Not Met

- 1725-A.-D.: A. All staff members who administer medication shall have medication administration training.
- B. Whether administering medication or not, each early learning center shall have at least two staff members trained in medication administration.
- C. Such training shall be completed every two years with an approved Child Care Health Consultant.
- D. A licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

Finding:

1725-A.-D. Based on record review/interview(s): S12 did not have at least two staff members trained in medication administration whether the early learning center administers medication or not. S6 was the only staff member with current Medication Management Training. S12 stated that she has staff signed up to complete a Medication Management Training class.
