

Statement of Deficiencies

1513-A.1-2: Schedules

Not Met

1513-A.1-2: An early learning center shall establish in writing and post the following schedules:

1. Schedule of days and hours of operation, including scheduled days and holidays when center is closed; and
2. Daily schedule that includes times of planned activities, including early learning activities, allowing for flexibility and change.

Finding:

1513-A.1-2 Based on observations: There was no posted daily schedule that includes times of planned activities in the classroom for the children ages six years and older.

1915-A: Health Services - Observation

Not Met

1915-A: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

Finding:

1915-A Based on interview: The center's staff does not conduct observations, when something is observed, noted on children upon arrival to the center. S1 stated observations of the children are conducted after all children have arrived at the center.

1921-A: Emergency Preparedness and Evacuation Planning

Not Met

1921-A: Emergency and Evacuation Plan. The director shall consult with appropriate state and local authorities and shall establish and follow a written multi-hazard emergency and evacuation plan to protect children in the event of emergencies that at a minimum shall:

1. address any potential disaster related to the area in which the center is located;
2. include procedures for sheltering in place, lockdown and evacuation to a pre-determined site for potential threats to the safety, health and well-being of children in care;
3. include specific procedures for handling infants through two year olds;
4. include specific procedures for handling children with special needs, including the evacuation and transportation of children in wheelchairs;
5. include a system to account for all children;
6. include a system, and a back-up system, for contacting parents and authorized third party release caretakers;
7. include a system to reunite children and parents following an emergency;
8. include procedures for providing information about the emergency plan to parents at the time of enrollment and when changes occur;
9. be reviewed annually for accuracy and updated as changes occur; and
10. be reviewed with all staff at least once per year.
11. practice drills shall be conducted at least twice per year to include all children and shall be documented.

Finding:

1921-A Based on record review: The provider's written emergency plan did not include specific procedures for handling infants through two years olds.
