Finding:

1713.A.&B. Based on observations at 11:57am, children were not under supervision at all times as the Specialist and S1 observed 7 four-year-old children, C1 - C7, unsupervised in a classroom for approximately one minute. Supervision was met at 11:58am when S20 walked in the classroom. S20 stated she was in the hallway helping a child with his mat. S20 stated she and S21 are supervising the children. S21 was observed returning to the classroom at 11:58am stating he brought another child to the restroom. S1 reminded S20 and S21 that a staff member must remain in the classroom at all times.

S1 stated S21 was supposed to remain in the classroom while S20 stepped out, however S21 left out to help a child with an emergency restroom situation.

Corrective Action Plan: Effective 7/7/2020, S1 stated she will remind staff today that supervision must be met at all times. Staff member must have all children in view at all times. If a child is in the hallway, the staff member will stand in the doorway to make sure that all children are still in view.
