

Statement of Deficiencies

311.A.: Posting of License

Not Met

311.A.: Each early learning center shall display its current license in a prominent place at the center.

Finding:

311.A. Posting of License, Based on observations/interviews: On 7/8/2019 at 12:00 PM, Specialist observed that the center did not display its current license in a prominent place at the center. Specialist interviewed the current Licensing Consultant assigned for the center and learned that the license was not renewed due to requested information not being received prior to the license expiration. The requested information has now been received and the license will be renewed effective today.
