

Statement of Deficiencies

1725-A.-D.: Medication Management Training

Not Met

- 1725-A.-D.: A. All staff members who administer medication shall have medication administration training.
B. Whether administering medication or not, each early learning center shall have at least two staff members trained in medication administration.
C. Such training shall be completed every two years with an approved Child Care Health Consultant.
D. A licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

Finding:

1725-A.-D. Based on record review on 7/9/18, S1 failed to have current documentation of training in medication administration completed with an approved Child Care Health Consultant for at least two staff members. Training is required every two years and S1's training expired 6/14/18. LS observed there were no staff members currently trained in medication administration during the center visit.

1901-Q: The Safety Box

Not Met

1901-Q: The center shall post a copy of the current The Safety Box newsletter issued by the Louisiana Office of the Attorney General and shall immediately remove from the early learning premises any items listed as recalled.

Finding:

1901-Q Based on observations on 7/9/18, S1 did not post a current 'The Safety Box' newsletter issued by the Louisiana Office of the Attorney General as LS observed April - June 2017 safety box newsletter posted on the entryway wall of the center.
