1715-A.5: State Central Registry

Not Met

1715-A.5: Personnel files for each staff member shall be maintained at the center and shall include the following: documentation of a current, completed state central registry disclosure form indicating no justified (valid) finding of abuse or neglect by the DCFS, or a current determination from the DCFS indicating that the individual does not pose a risk to children.

Finding:

1715-A.5 Based on record review: Provider failed to have documentation of a completed state central registry disclosure form (SCR 1) on site and available for review at the center prior to a previously completed form expiring (1705.B). 5 of 15 staff members failed to have documentation of the completed form. (S6, S7, S11, S13 and S15) Provider had all staff members complete a new state central registry form during visit on 7/10/2017.
