

## Statement of Deficiencies

### 1503-A-C: General Liability Insurance Policy

Not Met

1503-A-C: A. A center shall maintain in force at all times current commercial liability insurance for the operation of the center to ensure medical coverage for children in the event of accident or injury.

B. A center is responsible for payment of medical expenses of a child injured while in the center's care.

C. Documentation of commercial liability insurance shall consist of the insurance policy or current binder that includes the name of the early learning center, physical address of the center, name of the insurance company, policy number, period of coverage and explanation of the coverage.

#### Finding:

The Provider failed to maintain in force at all times current commercial liability insurance for the operation of the center to ensure medical coverage for children in the event of accident or injury.

### 1723-A.&B.: CPR Certification

Not Met

1723-A.&B.: A - Infant and child CPR - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR.

B - Adult CPR - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in adult CPR.

#### Finding:

1723-A.&B.: A - Infant and child CPR - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, failed to have current certification in infant and child CPR. Zero of two staff had this training.

### 1723-C.-D.: Pediatric First Aid

Not Met

1723-C.-D.:

C. Pediatric First Aid - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in Pediatric First Aid.

D. Certification - A copy of the certification for each such staff member shall be on-site at all times and available for inspection by the Licensing Division.

#### Finding:

Pediatric First Aid - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, failed to have current certification in Pediatric First Aid. Zero of two staff had this training.

### 1725-A.-D.: Medication Management Training

Not Met

1725-A.-D.: A. All staff members who administer medication shall have medication administration training.

B. Whether administering medication or not, each early learning center shall have at least two staff members trained in medication administration.

C. Such training shall be completed every two years with an approved Child Care Health Consultant.

D. A licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

#### Finding:

B. Whether administering medication or not, the early learning center failed to have at least two staff members trained in medication administration. Zero staff had this training.
