

Statement of Deficiencies

1915-A: Health Services - Observation

Not Met

1915-A: Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

Finding:

1915-A Based on record review/interview(s): The center failed to have documentation of observations, when something is observed, noted on children upon arrival to the center. Results including an explanation from parent and/or child were not documented. Specialist was unable to review any documented observations for 12 of the children who were being supervised by S4 on 7/12/17. S6 stated that no observation have been completed on any of the afterschool children who are enrolled in the center or the children who attend their Summer Academy(camp).
