

## ***Statement of Deficiencies***

### **2101-A.9: Vehicle - Safety Inspection**

**Not Met**

2101-A.9: Each vehicle shall have evidence of a current safety inspection.

**Finding:**

2101-A.9 Based on observations/interview(s) on 7/16/18, center vehicle A failed to have a current safety inspection. The last safety inspection expired on 5/18. S1 stated that the vehicle passed inspection but she could not get the sticker because they did not have the current registration and will have to get a duplicate copy of the registration.
