Finding:

1509.A.8.a.b.: Behavior Management Policy: Based on record review/interview(s): During a visit in the Center on 7/17/19 at 9:45am, Specialist reviewed a Critical Incident Report submitted to the Department that documents that on 6/5/19 between the time of 10:45am-11:15am, O3 observed S20 tug C1's hair and push a milk jug against C2's face, instructing both children to "hush". S1 stated and the Critical Incident documents that S20 was terminated immediately following O3's report of the incident being provided to S1 and S2 on 6/5/19. A review of S20's personnel file shows that S20's termination was for a critical violation of company discipline policies and state licensing discipline regulations.
