

## Statement of Deficiencies

### 713.A: Office of Public Health, State Fire, City Fire, Office of Early Childhood approval

Not Met

713.A: Current approvals by the Office of Public Health, Office of State Fire Marshal, City Fire (if applicable), Office of Early Childhood and the Licensing Division shall be required before the expiration of an existing license.

#### Finding:

713.A Based on record review: The provider's documentation of an annual inspection from Office of Public Health did not have documentation of the date inspected.

### 1507-B: Daily Attendance Records - Staff and Owners

Not Met

1507-B: A daily attendance record for all staff members and owners shall be maintained that shall:

1. include the first and last name of the staff member or owner and arrival and departure times;
2. accurately reflect the staff members and owners on the center premises at any given time; and
3. be used to document staff members and owners who leave and return to the center during the day

#### Finding:

1507-B Based on record review/interview: S1 does not have documentation of a daily attendance record to include her time of arrival and departure. S1 stated she did not know that she needed to document her presence on the premises.

### 1509-A.8. a-b: Behavior Management Policy

Not Met

1509-A.8. a-b: Behavior Management Policy

Each center shall develop and implement a written behavior management policy describing the methods of behavior guidance and management that shall be used at the center.

The behavior management policy shall prohibit children from being subject to any of the following:

- i. physical or corporal punishment which includes but is not limited to yelling, slapping, spanking, yanking, shaking, pinching, exposure to extreme temperatures or other measures producing physical pain, putting anything in the mouth of a child, requiring a child to exercise, or placing a child in an uncomfortable position.
- ii. verbal abuse, which includes but is not limited to using offensive or profane language, telling a child to "shut up", or making derogatory remarks about children or family members of children in the presence of children;
- iii. the threat of a prohibited action even if there is no intent to follow through with the threat;
- iv. being disciplined by another child;
- v. being bullied by another child;
- vi. being deprived of food or beverages;
- vii. being restrained by devices such as high chairs or feeding tables for disciplinary purposes; and
- viii. having active play time withheld for disciplinary purposes, except timeout may be used during active play time for an infraction incurred during the playtime.

#### Finding:

1509-A.8. a-b Based on record review: The provider's behavior management policy (discipline policy) did not state all methods of discipline that are prohibited.

### 1509-A.8.c: Behavior Management Policy - Time Out

Not Met

1509-A.8.c: Time Out

- i. Time out shall not be used for children under age 2.
- ii. A time out shall take place within sight of staff.
- iii. The length of each time out shall be based on the age of the child and shall not exceed 1 minute per year of age.
- iv. For children over age six, a time out may be extended beyond 1 minute per year of age, if a signed and dated statement, including a maximum time limit, from the parent granting such permission, is on file at the center.

#### Finding:

1509-A.8.c Based on record review: The provider did not have a time out policy as part of their Behavior Management Policy that clearly states ALL Time Out procedures that are used and all that are prohibited.

## Statement of Deficiencies

### 1509-A.9: Electronic Devices Policy

Not Met

1509-A.9: Electronic Devices Policy that provides that all activities involving electronic devices, including but not limited to television, movies, games, videos, computers and hand held electronic devices, shall adhere to the following limitations:

- a. Electronic device activities for children under age two are prohibited; and
- b. Time allowed for electronic device activities for children ages 2 and above shall not exceed 2 hours per day.

#### Finding:

1509-A.9 Based on record review: The Provider did not have a written Electronic Devices Policy that provides that all activities involving electronic devices, including but not limited to television, movies, games, videos, computers and hand held electronic devices, are prohibited for children under are two and time allowed for electronic device activities for children ages two and above shall not exceed 2 hours per day.

### 1509-A.10: Computer Practices Policy

Not Met

1509-A.10: Computer Practices Policy that requires computers that allow internet access by children to be equipped with monitoring or filtering software that limits access by children to inappropriate web sites, e-mail, and instant messaging.

#### Finding:

1509-A.10 Based on record review: The provider did not have a written Computer Practices Policy that requires computers that allow internet access by children to be equipped with monitoring or filtering software that limits access by children to inappropriate web sites, e-mail, and instant messaging.

### 1509-A.11: Programs, Movies and Video Games Policy

Not Met

1509-A.11: Programs, Movies and Video Games Policy

- a. Programs, movies, and video games with violent or adult content, including but not limited to soap operas, television news, and sports programs aimed at audiences other than children, shall not be permitted in the presence of children.
- b. All television, video, DVD, or other programming shall be suitable for the youngest child present.
- c. "PG" programming or its television equivalent shall not be shown to children under age 5.
- d. "PG" programming shall only be viewed by children age 5 and above and shall require written parental authorization.
- e. Any programming with a rating more restrictive than "PG" is prohibited.
- f. All video games shall be suitable for the youngest child with access to the games.
  - i. "E10+" rated games shall be permitted for children ages 10 years and older.
  - ii. "T" and "M" rated games are prohibited.

#### Finding:

1509-A.11 Based on record review: The provider did not have a Programs, Movies and Video Games Policy requiring: Programs, movies, and video games with violent or adult content, including but not limited to soap operas, television news, and sports programs aimed at audiences other than children, shall not be permitted in the presence of children. All television, video, DVD, or other programming shall be suitable for the youngest child present. PG programming or its television equivalent shall not be shown to children under age 5. PG programming shall only be viewed by children age 5 and above and shall require written parental authorization. Any programming with a rating more restrictive than PG is prohibited. All video games shall be suitable for the youngest child with access to the games. E10+ rated games shall be permitted for children ages 10 years and older. T and M rated games are prohibited.

### 1717-A: Independent Contractors Records

Not Met

1717-A: Independent Contractors. The following information shall be maintained for all independent contractors, including but not limited to therapeutic professionals, extracurricular personnel, contracted transportation drivers, Department of Education, Office of Early Childhood staff and local school district staff:

1. an information form that includes the person's name, address and phone number
2. a list of duties performed while present at the center; and
3. documentation of a fingerprint based satisfactory criminal background check dated prior to the individual being present at the center or documentation of the paid, adult staff member not otherwise counted in child to staff ratios that accompanied the contractor at all times while the contractor was on the center premises, to include the date, contractor arrival and departure time, language stating that the contractor was accompanied by the staff member at all times while on the premises, and the signature of both the contractor and the accompanying staff member.

#### Finding:

1717-A Based on record review: The provider did not have documentation of a fingerprint based satisfactory criminal background check dated prior to independent contractor, O1, being present at the center. O1 was present on the childcare premises during the licensing inspection and on 7/14/17 and 7/17/17 per documentation on the extracurricular personnel and student trainees attendance log. The provider stated she was unable to locate O1's

## Statement of Deficiencies

Right to Review criminal background check during the licensing inspection. Also the provider did not obtain a current Right to Review criminal background check on O2 prior to the previous Right to Review dated 8/21/15 expiring on 8/21/16. O2 was present on the childcare premises during the licensing inspection and on 7/17/17 and 7/18/17 per documentation on the extracurricular personnel and student trainees attendance log. The provider had S15 to accompany O2 for the remainder of the time O2 was on the premises per specialist observation. O1 had already left the premises.

### 1915-A: Health Services - Observation

Not Met

1915-A: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

#### Finding:

1915-A Based on record review and interview: The center's staff are not observing and documenting the physical condition of each child when the child arrives at the center. S2 stated she conducts her observations later in the day. Also results including an explanation from parent and/or child were not documented.

### 1915-B.&C: Health Services - Parental Notification

Not Met

1915-B.&C:

B. Reporting. Incidents, injuries, accidents, illnesses, and unusual behavior shall be documented and reported to the parent no later than when the child is released to the parent or authorized representative on the day of the occurrence.

C. Immediate Notification. The parent shall be immediately notified in the following circumstances:

1. blood not contained in an adhesive strip;
2. head or neck or eye injury;
3. human bite that breaks the skin;
4. animal bite;
5. impaled object;
6. broken or dislodged teeth;
7. allergic reaction skin changes (e.g. rash, spots, swelling, etc.);
8. unusual breathing;
9. symptoms of dehydration;
10. temperature reading over 101° oral, 102° rectal, or 100° axillary; or
11. injury or illness requiring professional medical attention.

#### Finding:

1915-B.&C Based on record review: An incident that occurred at the center on 6/14/17 at 8:15am where a child was pinched on the cheek by another child did not have documentation of immediate notification to the parent. The parent signed the incident report at 4:45pm on 6/14/17.

### 1921-A: Emergency Preparedness and Evacuation Planning

Not Met

1921-A: Emergency and Evacuation Plan. The director shall consult with appropriate state and local authorities and shall establish and follow a written multi-hazard emergency and evacuation plan to protect children in the event of emergencies that at a minimum shall:

1. address any potential disaster related to the area in which the center is located;
2. include procedures for sheltering in place, lockdown and evacuation to a pre-determined site for potential threats to the safety, health and well-being of children in care;
3. include specific procedures for handling infants through two year olds;
4. include specific procedures for handling children with special needs, including the evacuation and transportation of children in wheelchairs;
5. include a system to account for all children;
6. include a system, and a back-up system, for contacting parents and authorized third party release caretakers;
7. include a system to reunite children and parents following an emergency;
8. include procedures for providing information about the emergency plan to parents at the time of enrollment and when changes occur;
9. be reviewed annually for accuracy and updated as changes occur; and
10. be reviewed with all staff at least once per year.
11. practice drills shall be conducted at least twice per year to include all children and shall be documented.

#### Finding:

1921-A Based on record review: The provider failed to have a written multi-hazard emergency and evacuation plan to protect children in the event of emergencies that addresses the following: any potential disaster related to the area in which the center is located, include procedures for sheltering in place, lockdown and evacuation to a pre-determined site for potential threats to the safety, health and well-being of children in care, include specific procedures for handling infants through two year olds, specific procedures for handling children with special needs, including the evacuation and
