5327-L: Clean of Hazards

Not Met

5327.L. The center and yard shall be clean and free from hazards.

Finding:

7327.L. (OLD TAG #5327.L.) The yard was not free of hazards as evidenced by: Specialist observed that there is no soft surface under the 6 foot high monkey bars, nor under the swing set. Specialist reviewed incident and accident reports and observed that a child did fall from the monkey bars and was harmed. If a child swings 4 feet or higher off the ground, the child could fall and be harmed. S1 stated they were going to get soft surface for under the monkey bars and under the swing set.
