1711-A-B-D-G: Child to Staff Ratio

Not Met

1711-A-B-D-G: A. Child to staff ratios are established to ensure the safety of all children.

B. Minimum child to staff ratios shall be met at all times.

1. There shall be a minimum of two staff members present at an early learning center when more than one child is present.
 2. Only those staff members directly providing care, supervision or guidance to children shall be counted in the child to staff ratios.
- D. Minimum Child to Staff Ratios for Type II and Type III centers:

Ages of Children	Ratio
Infants under 1 year	5:1
1 year	7:1
2 years	11:1
3 years	13:1
4 years	15:1
5 years	19:1
6 years and up	23:1

G. Mixed Age Groups - Minimum Child to Staff Ratios

1. An average of the child to staff ratios may be applied to mixed age groups of children ages 2, 3, 4 and 5
2. Child to staff ratios for children under age two are excluded from averaging.
3. When a mixed age group includes children younger than age two, the age of the youngest child determines the child to staff ratio for the group.
4. An average may be applied to a mixed age group consisting only of children ages 5 and older.

Finding:

**** NEW **** 1711-A-B-D-G Based on record review: Provider did not have at a minimum of 2 child care staff present at an early learning center when more than one child is present as one staff (S4) was supervising 6 children age Two to Five years on 7/17/17 from 6:58 a.m. until a second staff member (S2) arrived at 7:19 a.m. There were 4 - Two year old children, 1 - Three year old child and 1 - Five year old child. Two staff were required to meet the child to staff ratio. Provider did not have at a minimum of 2 child care staff present at an early learning center when more than one child is present as one staff (S4) was supervising 5 children age Two to Five years on 7/19/17 from 7:01 a.m. until a second staff member (S3) arrived at 7:15 a.m. There were 3 - Two year old children, 1 - Three year old child and 1 - Five year old child. Two staff were required to meet the child to staff ratio.

1725-A.-D.: Medication Management Training

Not Met

1725-A.-D.: A. All staff members who administer medication shall have medication administration training.

B. Whether administering medication or not, each early learning center shall have at least two staff members trained in medication administration.

C. Such training shall be completed every two years with an approved Child Care Health Consultant.

D. A licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

Finding:

1725-A.-E. Based on record review: The provider did not have at least two staff members trained in medication administration whether the early learning center administers medication or not.
