

## ***Statement of Deficiencies***

### **2101.A.1.: Transportation Arrangement Conforms to State Laws**

**Not Met**

2101.A.1.: Transportation arrangements shall conform to all state laws, as amended, including but not limited to those requiring the use of seat belts and child restraints.

#### **Finding:**

2101.A.1: Based on observations at 9:35 a.m., S1's transportation arrangements failed to conform to state laws as the vehicle registration for both buses expired in June of 2021. S1 stated the buses are not currently being used as school is out. S1 stated she believes she has the updated registration documentation; however, she could not locate it at the time of inspection.

Corrective Action Plan: Effective 7/22/2021, S1 stated she will locate her updated vehicle registration documentation as soon as possible to ensure this deficiency is not cited again.
