

Statement of Deficiencies

1903-C: Free of Hazards

Not Met

1903-C: Indoor and outdoor areas shall be free of hazards.

Finding:

1903-C Based on observations: The outdoor area was not free of hazards as the chain link fence has been partially removed leaving parts of the metal protruding from the ground creating a hazard. According to S1, they are in the process of removing the fence entirely and the children are not allowed to play near the fence area.
