C: A staff person shall be assigned to supervise specific children whose names and whereabouts that staff person shall know and with whom the staff person shall be physically present. Staff shall be able to state how many children are in their care at all times.

#### **Finding:**

1713 B Supervision: Children were not under supervision at all times as the Licensing Specialist observed during the initial walk through of the center at 9:05 am, two children ages 11 and 7 in a room by themselves. The children were seated at a table playing a game. This was corrected immediately.
