

Statement of Deficiencies

1915.A.: Health Services - Observation

Not Met

1915.A.: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

Finding:

Based on record review at 11:30am, center staff completed daily observations but failed to include explanation from the parent or child was not included.

Corrective Action Plan: Effective 7/26/2021, S1 stated each teacher will document an explanation from the parent or child on all daily observations for children in their care and keep a record of those documents to ensure that this deficiency is not recited.
