

Statement of Deficiencies

1725-A.-E.: Medication Management Training

Not Met

1725-A.-E.:

- A. Beginning July 1, 2016 - All staff members who administer medication shall have medication administration training.
- B. Whether administering medication or not, each early learning center shall have at least two staff members trained in medication administration.
- C. Such training shall be completed every two years with an approved Child Care Health Consultant.
- D. A licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

Finding:

1725-A.-E. Based on interview(s):

After July 1, 2016, the provider did not have at least two staff members trained in medication administration whether the early learning center administers medication or not. S1 stated that she recently located someone to complete the training and would have the training completed.
