Finding:

1919-A.&b. Based on observation/record review: Menu substitutions or additions were not posted on or near the menus as Specialist observed a lunch of red beans with sausage over rice, sweet potatoes, peaches and milk being served for lunch at 11:03 a.m. on 7/29/19. The center's weekly menu specified spaghetti with meat sauce, corn fruit and milk. The center had a daily menu posted for 7/25/19 consisting dirty rice (rice and ground beef/pork mixture), peas, pears and milk. Corrected before Specialist's departure.
