

Statement of Deficiencies

1707.A.1.&2.: Required Staffing - Director or Director Designee

Not Met

1707.A.1.&2.: Director or Director Designee. Each center shall have a qualified director or qualified director designee.

1. The director or director designee shall be an on-site, full-time staff person at the center during the daytime hours of operation (prior to 9 p.m.). When the director is not an on-site full-time employee at the licensed location, there shall be a qualified director designee who is an on-site full-time employee at the licensed location.
2. The director or director designee shall be responsible for planning, managing, and controlling the center's daily activities, as well as responding to parental concerns and ensuring that minimum licensing requirements are met.

Finding:

1707.A.1. & 2.: Based on record review/interview: On 7/31/19 at 10:00am the center did not have a qualified Director who is an on-site full time staff person at the center during the day time hours of operation (prior to 9:00 p.m.) and responsible for planning, managing, and controlling the center's daily activities, as well as responding to parental concerns and ensuring that minimum licensing requirements are met.; there was not an on-site full time qualified Director Designee given responsibility for planning, managing, and controlling the center's daily activities, as well as responding to parental concerns and ensuring that minimum licensing requirements are met. The center has been operating without a director or designee from 05/28/19 to present.

1725.A.-C.: Medication Management Training

Not Met

1725.A.-C.: A. All staff members who administer medication shall have medication administration training.

B. Whether the center is administering medication or not, each early learning center shall have at least two staff members trained in medication administration and at least one on the premises. A staff member who is a licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

C. Such training shall be completed every two years with an approved child care health consultant.

Finding:

1725.A.-C. Based on record review: On 7/31/19 at 10:00am the provider did not have at least two staff members trained in medication administration whether the early learning center administers medication or not. 1 of 3 staff, S3 has documentation of this certification.
