

Statement of Deficiencies

1907-B.1-4: Eating Practices

Not Met

1907-B.1-4:

1. Developmentally appropriate seating shall be used.
2. Chairs and tables of suitable size shall be available for each child.
3. Feeding tables may be used at mealtimes, if children's feet are able to rest comfortably on a foot rest.
4. Feeding tables may also be used for occasional program activities that require a table surface for no longer than 30 minutes in one day in addition to mealtime minutes.

Finding:

1907-B.1-4 Based on observations: The center was not equipped with chairs and tables of a suitable size for each child. Specialist observed 9 - Two to Three year old children to be eating lunch along the kitchen counter. The children were seated on wooden benches which did not allow for their feet to touch the floor. S8 stated she will have removable foot supports built to accommodate the children's feet.
