Finding:

1713.A.&B.&C. Based on observation/interview(s): At approximately 11:37am, S3 failed to supervise children at all times during naptime. During the walk-through of the center, Specialist observed 5 children (two-years-old) alone in the classroom. S3 was observed entering the classroom at approximately 11:39am. S3 stated she left out of the classroom to get a roll-a-way crib to bring into the classroom.

Corrective Action Plan: Effective today, S1 stated she will retrain all staff on supervising the children at all times. She stated staff will be required to use walkie talkies to radio the front office whenever anything is needed for the classroom.
