1103-A-D: Critical Incidents and Required Notification

Not Met

1103-A-D: An early learning center shall make immediate notification to emergency personnel, law enforcement as applicable, and other appropriate agencies for the following types of critical incidents involving children in care:

1. death;
 2. serious injury or illness that required medical attention;
 3. reportable infectious diseases and conditions listed in LAC 51.II.105; and
 4. any other significant event relating to the health, safety, or well-being of any child, including but not limited to a lost child, an emergency situation, fire or other structural damage, or closure of the center.
- B. The parent shall be contacted immediately following any immediate notifications made under Subsection A.
- C. The Licensing Division and other appropriate agencies shall be notified via email within 24 hours of the incident.
- D. The Licensing Division shall be notified by written report within 24 hours of the incident or the next business day. This written notification shall be made on the Licensing Division's Critical Incidents Report Form and shall contain all information requested on the form.

Finding:

1103-A-D Based on record review: The Provider failed to notify the Division of Licensing by written report within 24 hours of the incident or by the next business day. The written notification shall be made on the Licensing Division's Critical Incidents Report Form and shall contain all information requested on the form. On 3/14/18, C1 suffered a head injury after falling backwards while seated on the floor. The parent was immediately contacted and the parent then sought medical treatment for C1.

1507-A: Daily Attendance Records - Children

Not Met

1507-A: A daily attendance record for children shall be maintained that shall:

1. include the child's first and last name, arrival and departure times, and first and last name of person or entity to whom the child is released;
2. accurately reflect children on the center premises at any given time; and
3. be used to sign in and out if a child leaves and returns to the center during the day.

Finding:

1507-A Based on record review: The center's daily attendance record for children did not accurately reflect the children on the child care premises at any given time as 48 children were present and 46 children were signed in on the log upon Specialist's arrival on 8/7/18.

1515-A.2: Emergency Medical Treatment

Not Met

1515-A.2: Written authorization signed and dated by the parent to secure emergency medical treatment;

Finding:

1515-A.2 Based on record review: 1 of 4 children's records lacked a signed and dated parental authorization to secure emergency medical treatment. There was no signed and dated authorization on file for C1.

1717-A: Independent Contractors Records

Not Met

1717-A: Independent Contractors. The following information shall be maintained for all independent contractors, including but not limited to therapeutic professionals, extracurricular personnel, contracted transportation drivers, Department of Education, Office of Early Childhood staff and local school district staff:

1. an information form that includes the person's name, address and phone number
2. a list of duties performed while present at the center; and
3. documentation of a CCCBC-based determination of eligibility for child care purposes from the department or documentation of the adult staff member not otherwise counted in child to staff ratios that accompanied the contractor at all times while the contractor was at the center when children were present, to include the date, contractor arrival and departure time, language stating that the contractor was accompanied by the staff member at all times while at the center when children were present, and the signature of both the contractor and the accompanying staff member.

Finding:

1717-A Based on record review: Provider did not have documentation of a fingerprint based satisfactory criminal background check dated prior to the individual being present at the center for independent contractor O1. O1 was on premises 2/19/18, 4/13/18, 5/16/18 and 5/30/18 without a Right to Review of CCCBC on file.

Finding:

1915-B.&C. Based on record review: The Provider did not have documentation of immediate notification to the parent when the following occurred to a child: head injury. Incident reports did not always document the time of the incident in order to determine if the parent was notified timely.

1921-A: Emergency Preparedness and Evacuation Planning

Not Met

1921-A: Emergency and Evacuation Plan. The director shall consult with appropriate state and local authorities and shall establish and follow a written multi-hazard emergency and evacuation plan to protect children in the event of emergencies that at a minimum shall:

1. address any potential disaster related to the area in which the center is located;
2. include procedures for sheltering in place, lockdown and evacuation to a pre-determined site for potential threats to the safety, health and well-being of children in care;
3. include specific procedures for handling infants through two year olds;
4. include specific procedures for handling children with special needs, including the evacuation and transportation of children in wheelchairs;
5. include a system to account for all children;
6. include a system, and a back-up system, for contacting parents and authorized third party release caretakers;
7. include a system to reunite children and parents following an emergency;
8. include procedures for providing information about the emergency plan to parents at the time of enrollment and when changes occur;
9. be reviewed annually for accuracy and updated as changes occur; and
10. be reviewed with all staff at least once per year.
11. practice drills shall be conducted at least twice per year to include all children and shall be documented.

Finding:

1921-A Based on record review: The provider failed to conduct and document practice drills at least twice per year.
