Not Met

1901-J.-K.: J. Items that can be harmful to children, such as medications, poisons, cleaning supplies and chemicals, and equipment, tools, knives and other potentially dangerous utensils, shall be kept in a locked cabinet or other secure place that ensures they are inaccessible to children.  
K. Plastic bags, when not in use, regardless of purpose or use, shall be made inaccessible to children.

#### Finding:

1901-J.-K. Based on observations on 8/7/18, items that can be harmful to children, such as medications, poisons, cleaning supplies and chemicals, and equipment, tools, knives and other potentially dangerous utensils, were not kept in a locked cabinet or other secure place that ensures they are inaccessible to children; as LS observed a small container with the following cleaning supplies: (2) Clorox wipes containers, disinfectant spray, and a toilet bowl cleaner in an unlocked cabinet. LS observed the cabinet had a broke latch and was unable to lock. LS observed S10 and S1 removing the items and placing them in a secure cabinet. LS observed S10 supervising 6 children (4yrs old).

The Center's had a plastic bag that was accessible to children as evidence by: LS observing a box of Zip Loc bags in a cabinet in S10's classroom. LS observed S10 removing the plastic bags during the center visit.
