#### **Finding:**

Recited: 2101-A.14 Based on interview(s)/record review: The Provider lacked documentation of current commercial liability insurance for the operation of the vehicle(s) to ensure medical coverage for children in the event of accident or injury. S1 stated that the center's owner purchased a new van and the center will no longer use the van on site. The new van was not on site. The owner was purchasing insurance for the new van at the time of survey.
