5327-H: Strings and Cords

Not Met

5327.H. Strings and cords (such as those found on window coverings) shall not be within the reach of children.

Finding:

7327.H (old tag 5327.H. Cords were within reach of children as evidence by: specialist observation on 8/15/11 in which the telephone cord in Room 2 was detached from the wall and within reach of children. Also, the television cord on the shelf between classroom 2 and 3 was hanging and within reach of children. Cords were removed from children's reach during licensing visit.

5327-L: Clean of Hazards

Not Met

5327.L. The center and yard shall be clean and free from hazards.

Finding:

7327.L (old tag 5327.L.) The center and yard were not free of hazards as evidence by: specialist observation on 8/15/11
Center: an electrical plate is detached from the wall and within reach of children in room 3 exposing electrical wires. Children could become harmed if they had contact with these wires. Also observed were dead ants in a corner of room 4 that were within reach of children. Both hazards were corrected during licensing visit.
Yard: a stack of wood with exposed nails and screws was observed to be on the playground and within reach of children. Children could potentially be harmed by the wood falling on them and being scratched or hurt by the exposed nails and/or screws.
