

## ***Statement of Deficiencies***

### **1915-A: Health Services - Observation**

**Not Met**

1915-A: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

#### **Finding:**

1915-A Based on record review: S7 and S10 did not have documentation that observations of the children ages two years to three years were conducted on a daily basis for the month of July 2017. Also S2 did not have documentation of an explanation for an observation noted on 8/8/17, S7 did not have documentation of an explanation for an observation noted on 7/26/17, and S15 did not have documentation of explanations for observations noted on 8/14/17 and 8/15/17.
