

Statement of Deficiencies

713.A.: Office of Public Health, State Fire, City Fire Approval

Not Met

713.A.: Annual licensing inspections by the department, current approvals by the Office of Public Health, Office of State Fire Marshal, and city fire (if applicable), and academic approval by the department (if type III center) shall be required before the expiration of an existing license. However, if a center has documentation establishing that the center requested an inspection by the Office of Public Health or the Office of State Fire Marshal prior to the expiration of the existing license, these approvals may be submitted to the department within 90 calendar days of the date of the license renewal.

Finding:

713.A. Based on record review: S3 did not have documentation of a current Office of Public Health approval.

1501.A.: Operations

Not Met

1501.A.: A center shall operate within the licensed capacity, age range, hours of operation and other specific services designated on its license.

Finding:

1501.A. Based on observations/interview(s):

The Director made changes that had an effect on the license as the provider is licensed to care for children ages six months to four years and children ages three months to 13 years were being cared for on the childcare premises.
