

## Statement of Deficiencies

### 309.A.5: State Fire Marshal

Not Met

309.A.5: Provider must provide written certification of current State Fire Marshal approval for the residence where care is being provided.

**Finding:**

309.A.5 Based on interview(s): Provider did not provide written certification of current State Fire Marshal approval for the residence where care is being provided.

---

### 309.A.8: CPR Certification

Not Met

309.A.8: Provider has documentation of current certification in infant, child, and adult CPR.

**Finding:**

309.A.8 Based on interview(s): Provider has not shown documentation of current certification in infant, child, and adult CPR.

---

### 309.A.9: First Aid Certification

Not Met

309.A.9: Provider has documentation of current certification in pediatric first aid.

**Finding:**

309.A.9 Based on interview(s): Provider has no documentation of a current certification in pediatric first aid.

---

### 309.A.17: Emergency Contact Information

Not Met

309.A.17: The provider has appropriate emergency phone numbers, such as fire and police, hospitals and Louisiana Poison Control, and the physical address and phone number for the residence in which care is provided posted in a prominent, easily visible location, and has a written emergency plan that protects children in the event of fire, flood, storm, hurricane, tornado, and snow and ice.

**Finding:**

309.A.17 Based on interview(s): The provider does not have appropriate emergency phone numbers, such as fire and police, hospitals and Louisiana Poison Control, and the physical address and phone number for the residence in which care is provided posted in a prominent, easily visible location. The provider does not have a written emergency plan that protects children in the event of fire, flood, storm, hurricane, tornado, and snow and ice.
