

Statement of Deficiencies

1723.A.&B.: CPR Certification - Infant/Child

Not Met

1723.A.&B.: A. Infant and child CPR. All staff members on the premises of a center and accessible to children shall have current certification in infant and child CPR through training approved by the department.

B. Adult CPR. All staff members on the premises of a center and accessible to children shall have current certification in adult CPR through training approved by the department.

CPR Certification

Finding:

1723.A. Based on record review at approximately 12:25 p.m., S1 failed to have documentation that all staff on the premises and accessible to the children have current certification in infant and child CPR through training approved by the department. S17 does not have a current certification from an approved trainer. During the licensing visit, S1 scheduled the class for 8/26/2022.

Corrective Action Plan: Effective 8/17/2022, S1 stated she will schedule the class for all new hires within 7 days from the date of hire to ensure compliance with this regulation.

1723.C: Pediatric First Aid

Not Met

1723.C: C. All staff members on the premises of a center and accessible to children shall have current certification in pediatric first aid through training approved by the department.

Finding:

1723.C Based on record review at approximately 12:25 p.m., S1 failed to have documentation that all staff on the premises and accessible to the children have current certification in pediatric first aid through training approved by the department. S17 does not have a current certification from an approved trainer. During the licensing visit, S1 scheduled the class for 8/26/2022.

Corrective Action Plan: Effective 8/17/2022, S1 stated she will schedule the class for all new hires within 7 days from the date of hire to ensure compliance with this regulation.
