

Statement of Deficiencies

1915.A.: Health Services - Observation

Not Met

1915.A.: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

Finding:

1915.A.: Health Services-Observations: Based on record review: On 08/20/2019 at 12:45am, the provider did not document observations when something is observed, noted on children upon arrival to the center. Results including an explanation from parent and/or child were not documented. Specialist reviewed records for daily observations for all seven classes and observed two out of the seven class had not completed their daily observations on 08/20/2019.
