Not Met

1713-A&B&C: A: Children shall be supervised at all times in the center, on the playground, on field trips, on non-vehicular excursions, and during all water activities and water play activities.

B: Children shall not be left alone in any room, (except the restroom as indicated in Subsection G of this Section or when being provided services by therapeutic professionals, as defined in 103), outdoors, or in vehicles, even momentarily, without staff present.

C: A staff person shall be assigned to supervise specific children whose names and whereabouts that staff person shall know and with whom the staff person shall be physically present. Staff shall be able to state how many children are in their care at all times.

Finding:

1713-A&B&C: Based on interviews: Children were not under supervision at all times as C1 was left in the classroom on 08/12/16 after S42 and S43 left the room to take the class to the activity room to play. S2 states she and S43 lined the children up at the door and they counted, but they must of miscounted. S2 states that C1 was sitting in the corner of the room out of view from where they lined up.
