1103-A-E: Critical Incidents and Required Notification

Not Met

1103-A-E: An early learning center shall make immediate notification to emergency personnel, law enforcement as applicable, and other appropriate agencies for the following types of critical incidents involving children in care:

1. death;
 2. serious injury or illness that required medical attention;
 3. reportable infectious diseases and conditions listed in LAC 51.II.105; and
 4. any other significant event relating to the health, safety, or well-being of any child, including but not limited to a lost child, an emergency situation, fire or other structural damage, or closure of the center.
- B. The parent shall be contacted immediately following any immediate notifications made under Subsection A.
- C. The Licensing Division and other appropriate agencies shall be notified via email within 24 hours of the incident.
- D. The Licensing Division shall be notified by written report within 24 hours of the incident or the next business day. This written notification shall be made on the Licensing Division's Critical Incidents Report Form and shall contain all information requested on the form.
- E. Reporting deadlines may be adjusted in the event of a natural catastrophe and/or disaster, as determined by the Department.

Finding:

1103-A-E Based on interview(s): S7 failed to notify, within 24 hours of the incident, the Licensing Section and other appropriate agencies of the following critical incident : On 8/10/17, CPS visited the center to interview S7 regarding a complaint that was made to CPS against the center. S7 failed to notify the Division of Licensing by written report within 24 hours of the incident or by the next business day. The written notification shall be made on the Licensing Division's Critical Incidents Report Form and shall contain all information requested on the form.

1723-A.&B.: CPR Certification

Not Met

1723-A.&B.: A - Infant and child CPR - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR.

B - Adult CPR - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in adult CPR.

Finding:

1723-A: Based on record review: S7 did not have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in infant and child CPR. 2 of 7 staff had documentation of this certification. The center needed 1 additional staff member certified in infant and child CPR to meet this requirement.

1723-C.-D.: Pediatric First Aid

Not Met

1723-C.-D.:

- C. Pediatric First Aid - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in Pediatric First Aid.
- D. Certification - A copy of the certification for each such staff member shall be on-site at all times and available for inspection by the Licensing Division.

Finding:

1723-C.-D. Based on record review: S7 did not have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in Pediatric First Aid. 2 of 7 staff had documentation of this certification. The center needed 1 additional staff member certified in pediatric first aid to meet this requirement.

1901-C: End-of-Day Check

Not Met

1901-C: The entire center and play yard shall be checked after the last child departs to ensure that no child is left at the center and this check shall be documented. Documentation shall include date, time of visual check, and signature of the staff conducting the visual check.

Finding:

1901-C Based on record review: On 8/24/17, S7 did not document that the entire center and play yard was checked after the last child departed to ensure that no child was left unattended at the center.

Statement of Deficiencies

1919-A&B: Food Service and Nutrition - Menu

Not Met

1919-A&B: All meals and snacks provided by the center, and their preparation, service and storage, shall meet the requirements for meals of the U.S. Department of Agriculture (USDA) Child and Adult Care Food Program (CACFP) and 7 C.F.R. 226.20 and the Louisiana Sanitary Code, Title 51, Part XXIII, found at LAC 51:XXXIII. For the current CACFP meal patterns, contact the Louisiana Department of Education, Division of Nutrition Support.

The weekly menu shall:

1. be planned for each day of the week and list the specific food items served;
2. be prominently posted by the first day of each week and remain posted throughout the week; and
3. have substitutions or additions posted on or near the menu.

Finding:

1919-A&B: Based on observations and record review: Menu substitutions or additions were not posted on or near the menus as menu posted for week of August 21st showed lunch items of rice and ground meat on Friday, 8/25/17. Specialist observed pizza being served as the main item for lunch on this date.
