1515-A.4: Special Diets

- a. Unless the program is officially on the Child and Adult Care Food Program (CACFP), a parent may request special diet adjustments (i.e. no milk on a particular day).
- b. If a center is on the CACFP, a written statement from a health care provider is required when the child requires a special diet for medical reasons.
- c. A written statement from the parent is required when the child requires a modified diet.

Finding:

1515-A.4 Based on record review: The Provider lacked a written statement from the parent for a child that requires a modified diet. C5 required a modified diet and there was no authorization on file.
