

Statement of Deficiencies

1713-A&B&C: Supervision

Not Met

1713-A&B&C: A: Children shall be supervised at all times in the center, on the playground, on field trips, on non-vehicular excursions, and during all water activities and water play activities.

B: Children shall not be left alone in any room, (except the restroom as indicated in Subsection G of this Section or when being provided services by therapeutic professionals, as defined in 103), outdoors, or in vehicles, even momentarily, without staff present.

C: A staff person shall be assigned to supervise specific children whose names and whereabouts that staff person shall know and with whom the staff person shall be physically present. Staff shall be able to state how many children are in their care at all times.

Finding:

1713-A&B&C: Based on Observation: Children were not under supervision at all times (on two separate occasions) as: While conducting the walk through of the center with S1, Licensing Specialist observed a classroom with 12 children, aged 3-5 years, in a classroom unsupervised. S7 then re-entered the classroom, approximately 10 seconds later, from a connecting classroom. Licensing Specialist, still touring the center with S1, observed one child alone in a classroom, two classrooms away from the teacher, unsupervised. S1 reunited the child with the teacher and class.
