

## ***Statement of Deficiencies***

### **1919.C.: Food Allergies and Special Diets**

**Not Met**

1919.C.: Information regarding food allergies and special diets of children shall be posted in the food preparation area with special care taken to ensure that individual names of children are not in public view. If a parent chooses to allow the center to post the child's name and allergy information in public view, the center shall obtain a signed and dated authorization from the parent.

#### **Finding:**

1919-C. Based on interview/record review: Although the center obtained the required medical documentation regarding C1's food allergies, information regarding food allergies and special diets of children was not posted in the food preparation area on 8/27/19. On 8/27/19 at 9:05 a.m., C1, a four year old child, consumed a known food allergen during breakfast. C1 consumed pancakes which contained egg yolks, a known and medically documented food allergen for C1.
