1509.A.8.a.&b.: Behavior Management Policy

Each center shall develop and implement a written behavior management policy describing the methods of behavior guidance and management that shall be used at the center.

The behavior management policy shall prohibit children from being subject to any of the following:

- i. physical or corporal punishment which includes but is not limited to yelling, slapping, spanking, yanking, shaking, pinching, exposure to extreme temperatures or other measures producing physical pain, putting anything in the mouth of a child, requiring a child to exercise, or placing a child in an uncomfortable position.
- ii. verbal abuse, which includes but is not limited to using offensive or profane language, telling a child to "shut up", or making derogatory remarks about children or family members of children in the presence of children;
- iii. the threat of a prohibited action even if there is no intent to follow through with the threat;
- iv. being disciplined by another child;
- v. being bullied by another child;
- vi. being deprived of food or beverages;
- vii. being restrained by devices such as high chairs or feeding tables for disciplinary purposes; and
- viii. having active play time withheld for disciplinary purposes, except timeout may be used during active play time for an infraction incurred during the playtime.

Finding:

1509.A.8.a.&b.i.: Behavior Management Policy. Based on record review at 11:52 AM, S28 used a prohibited method of discipline as C1 was subject to corporal punishment. Specialist reviewed video footage date/time stamped as 7/23/2019 at 10:35 AM, and observed S28 place her right foot on the back of C1's head and push his head forward as he was laying down on his mat during nap time. S28 was immediately terminated.
