

Statement of Deficiencies

1509-A.7: Parental Involvement Policy

Not Met

1509-A.7: Parental Involvement Policy

Parents shall be offered a minimum of two opportunities for involvement each year, which may include but are not limited to, an open house, parent education session, parent and staff conference, family pot luck dinner, holiday party or parent or grandparent's day.

Finding:

1509-A.7 Based on record review: There was no documentation of a policy that offered parents a minimum of two opportunities for involvement each year, which may include but are not limited to, an open house, parent education session, parent and staff conference, family pot luck dinner, holiday party or parent or grandparent's day.

1509-A.8.c: Behavior Management Policy - Time Out

Not Met

1509-A.8.c: Time Out

- i. Time out shall not be used for children under age 2.
- ii. A time out shall take place within sight of staff.
- iii. The length of each time out shall be based on the age of the child and shall not exceed 1 minute per year of age.
- iv. For children over age six, a time out may be extended beyond 1 minute per year of age, if a signed and dated statement, including a maximum time limit, from the parent granting such permission, is on file at the center.

Finding:

1509-A.8.c Based on record review: There was no documentation of a time out policy that included: time outs shall not be used for children under age 2; time out shall take place within sight of staff; and the length of each time out shall be based on the age of the child not to exceed 1 minute per year of age.

1509-A.9: Electronic Devices Policy

Not Met

1509-A.9: Electronic Devices Policy that provides that all activities involving electronic devices, including but not limited to television, movies, games, videos, computers and hand held electronic devices, shall adhere to the following limitations:

- a. Electronic device activities for children under age two are prohibited; and
- b. Time allowed for electronic device activities for children ages 2 and above shall not exceed 2 hours per day.

Finding:

1509-A.9 Based on record review: There was no documentation of an electronics policy that included the following limitations: Electronic device activities for children under age two are prohibited; and time allowed for electronic device activities for children ages 2 and above shall not exceed 2 hours per day.

1509-A.10: Computer Practices Policy

Not Met

1509-A.10: Computer Practices Policy that requires computers that allow internet access by children to be equipped with monitoring or filtering software that limits access by children to inappropriate web sites, e-mail, and instant messaging.

Finding:

1509-A.10 Based on record review: There was no documentation of a computer policy that required computers that allow internet access by children to be equipped with monitoring or filtering software that limits access by children to inappropriate web sites, e-mail, and instant messaging.

1509-A.11: Programs, Movies and Video Games Policy

Not Met

1509-A.11: Programs, Movies and Video Games Policy

- a. Programs, movies, and video games with violent or adult content, including but not limited to soap operas, television news, and sports programs aimed at audiences other than children, shall not be permitted in the presence of children.
- b. All television, video, DVD, or other programming shall be suitable for the youngest child present.
- c. "PG" programming or its television equivalent shall not be shown to children under age 5.
- d. "PG" programming shall only be viewed by children age 5 and above and shall require written parental authorization.
- e. Any programming with a rating more restrictive than "PG" is prohibited.
- f. All video games shall be suitable for the youngest child with access to the games.
 - i. "E10+" rated games shall be permitted for children ages 10 years and older.
 - ii. "T" and "M" rated games are prohibited.

Statement of Deficiencies

Finding:

1509-A.11 Based on record review: There was no documentation of a Programs, Movies and Video Games policy that contained the following: a. Programs, movies, and video games with violent or adult content, including but not limited to soap operas, television news, and sports programs aimed at audiences other than children, shall not be permitted in the presence of children.

- b. All television, video, DVD, or other programming shall be suitable for the youngest child present.
- c. "PG" programming or its television equivalent shall not be shown to children under age 5.
- d. "PG" programming shall only be viewed by children age 5 and above and shall require written parental authorization.
- e. Any programming with a rating more restrictive than "PG" is prohibited.
- f. All video games shall be suitable for the youngest child with access to the games.
 - i. "E10+" rated games shall be permitted for children ages 10 years and older.
 - ii. "T" and "M" rated games are prohibited.

1723-A.&B.: CPR Certification

Not Met

1723-A.&B.: A - Infant and child CPR - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR.

B - Adult CPR - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in adult CPR.

Finding:

1723 CPR Certification: There was no documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in infant, child and adult CPR. One of three staff (S1) present from 8:30 am to 12:15 pm had documentation of this certification. At 10:00 a fourth staff arrived. At 12:15 a fifth staff arrived with CPR certification. From 12:15 pm, two of five staff (S1 and S8) present had CPR certification.

1723-C.-D.: Pediatric First Aid

Not Met

1723-C.-D.:

C. Pediatric First Aid - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in Pediatric First Aid.

D. Certification - A copy of the certification for each such staff member shall be on-site at all times and available for inspection by the Licensing Division.

Finding:

1723-C.-D. Based on record review: There was no documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in pediatric first aid (PFA). One of three staff (S1) present from 8:30 am to 12:15 pm had documentation of this certification. At 10:00 a fourth staff arrived. At 12:15 a fifth staff arrived with PFA certification. From 12:15 pm, two of five staff (S1 and S8) present had PFA certification.

1901-Q: The Safety Box

Not Met

1901-Q: The center shall post a copy of the current The Safety Box newsletter issued by the Louisiana Office of the Attorney General and shall immediately remove from the early learning premises any items listed as recalled.

Finding:

1901-Q Based on observations: A copy of the current The Safety Box newsletter issued by the Louisiana Office of the Attorney General was not posted and available for review.

Statement of Deficiencies

1915-B.&C: Health Services - Parental Notification

Not Met

1915-B.&C:

B. Reporting. Incidents, injuries, accidents, illnesses, and unusual behavior shall be documented and reported to the parent no later than when the child is released to the parent or authorized representative on the day of the occurrence.

C. Immediate Notification. The parent shall be immediately notified in the following circumstances:

1. blood not contained in an adhesive strip;
2. head or neck or eye injury;
3. human bite that breaks the skin;
4. animal bite;
5. impaled object;
6. broken or dislodged teeth;
7. allergic reaction skin changes (e.g. rash, spots, swelling, etc.);
8. unusual breathing;
9. symptoms of dehydration;
10. temperature reading over 101° oral, 102° rectal, or 100° axillary; or
11. injury or illness requiring professional medical attention.

Finding:

1915 B & C Health Service-Parental Notification: There was no documentation of immediate notification to parent when an incident occurred. On 9/5/17, C8 hit the corner of his eye on a chair. There was no time of the incident documented and no documentation of immediate notification to parent. On 9/1/17, C6 scratched C7's face. This occurred at 11 am. There was no documentation of immediate notification to parent.
