

Statement of Deficiencies

1909-I: Availability of Safety Approved Cribs

Not Met

1909-I: A safety approved crib shall be available for each infant.

Finding:

1909-I Based on observations: C1 and C2 did not have a safety approved crib available for each infant. Specailist observed C1 and C2, both 11 months of age, sleeping in mats. S8 stated C1 and C2 were transitioning to the one year old room.
