

Statement of Deficiencies

1719.A.&B.: Orientation Training

Not Met

1719.A.&B.: A. Within seven calendar days of the first day present at the center, and prior to assuming sole responsibility for any children, each staff member shall receive orientation to the policies and practices of the center that at a minimum shall include:

1. child abuse identification and reporting;
2. emergency preparation;
3. licensing regulations; and
4. safe sleep practices.

B. Within 30 calendar days of date of hire, each staff member shall receive orientation to the additional policies and practices of the center that at a minimum shall include:

1. child development;
2. child guidance;
3. learning activities;
4. health and safety;
5. shaken baby prevention; and
6. CPR and first aid, as applicable.

Finding:

1719.A&B. Based on record review: At approximately 11:15am, S5 did not have documentation that all 5 staff members, S1, S2, S3, S4, and S5, received orientation. The center is not currently in operation.

1725.A.-C.: Medication Management Training

Not Met

1725.A.-C.: A. All staff members who administer medication shall have medication administration training.

B. Whether the center is administering medication or not, each early learning center shall have at least two staff members trained in medication administration and at least one on the premises. A staff member who is a licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

C. Such training shall be completed every two years with an approved child care health consultant.

Finding:

725.A.-C. Based on record review: At approximately 11:30am, S5 did not have documentation that at least two staff members trained in medication administration whether the early learning center administers medication or not. S5 stated that a class has been scheduled for next week.
